

Mahatma Gandhi Village of Biotechnology and Information Technologies

CALL FOR EXPRESSION OF INTERESTED PARTIES

SELECTION OF PARTNERS FOR INFRASTRUCTURE DEVELOPMENT FOR VITIB TECHNOLOGY PARK

GRAND-BASSAM - CÔTE D'IVOIRE

Village of Information Technologies and Biotechnology (VITIB SA), company in charge of the promotion and exploitation of the Biotechnology, Information Technologies and Communication Free Zone (Mahatma Gandhi Technological Park), launches a Call for Demonstration of Interest (AMI) aimed at selecting partners for the construction and management of multiple infrastructures planned in its mass plan. These include office buildings, warehouses, hotels, shopping centres, amusement parks, international medical clinics, academic institutions and residential areas. , a sports complex, and various other facilities.

The partners sought should be able to:

- 1) Design and build on own funds various infrastructures, without requiring a guarantee from the State of Côte d'Ivoire;
- 2) Manage and operate the built infrastructure autonomously, in accordance with the laws and rules in force;
- 3) Comply with the ZBTIC ground plan;
- 4) To rent the parcels required, as part of a long-term lease;
- 5) Make VITIB SA an offer to share the revenues generated by the operation of the said infrastructures.

This call for expressions of interest ends on **April 16, 2018 at 12:00PM (GMT)**. Any legal person wishing to participate, please contact:
